The above "Effective Rate for 2024" is used to compute Real Estate Taxes for the tax year 2024, payable in 2025. The "Total Rate for 2024" is used to compute Personal Property Taxes to be filed and paid in 2025. Your Real Estate gross tax is computed by multiplying the tax value of your property by the effective rate for either Agriculture/Residential or Other, which is Commercial or Industrial. The total rate is a combination of rates set as a result of elections in your district for County, Schools, Townships and Corporations.

No Treasurer has the authority to increase or decrease your real estate taxes or to adjust valuation or assessment.
